

Shri S'ad Vidya Mandal Institute of Technology (SVMIT), Bharuch Department of Civil Engineering

Report on Alumni Meet – 2022 & Celebration of Engineers Day – 2022

Date – 17 September 2022 **Time** – 06:00 PM To 10:30 PM

Venue – New Seminar Hall, SVMIT, Bharuch

The Department of Civil Engineering was established in the year 2012 and this year, it has completed its journey of 10 years. On this occasion, the department has organized an “Alumni Meet – 2022” on 17 September 2022 at new seminar hall, main building, SVMIT, Bharuch.

Alumni Meet is conducted every year in order to reconnect with the Alumni and celebrate their success and various achievements. The Alumni Meet provides a platform for interaction and provides important feedback for improvement & students can get inspiration from the journey of Alumni in the professional world.

Along with the Alumni Meet, “**National Engineers Day – 2022**” was celebrated to mark the birth anniversary (15 September 2022) of **Bharat Ratna Sir Mokshagundam Visvesvaraya**, one of the great civil engineer of pre & post independence era. A tribute was given to Sir M. Visvesvaraya during the meet to recognize and honour the achievements of this Civil Engineer of our nation.

Incidentally, on this day was Vishwakarma Pujan and the birth anniversary of our Prime Minister Shri Narendrabhai Modi.

Dinner at 8.00 PM

The Alumni started arriving in college by 05.30 PM and they were received by the registration team. The Alumni Meet began with prayer of Goddess Maa Saraswati & lighting of the lamp.

Head of Department Prof. Shonak Purohit, welcomed all the dignitaries and all the Alumni for responding to the invitation from department and being present for the Alumni Meet at a short notice. The major activities and achievements of the Department of Civil Engineering were highlighted in the address including the milestones reached in the past years.

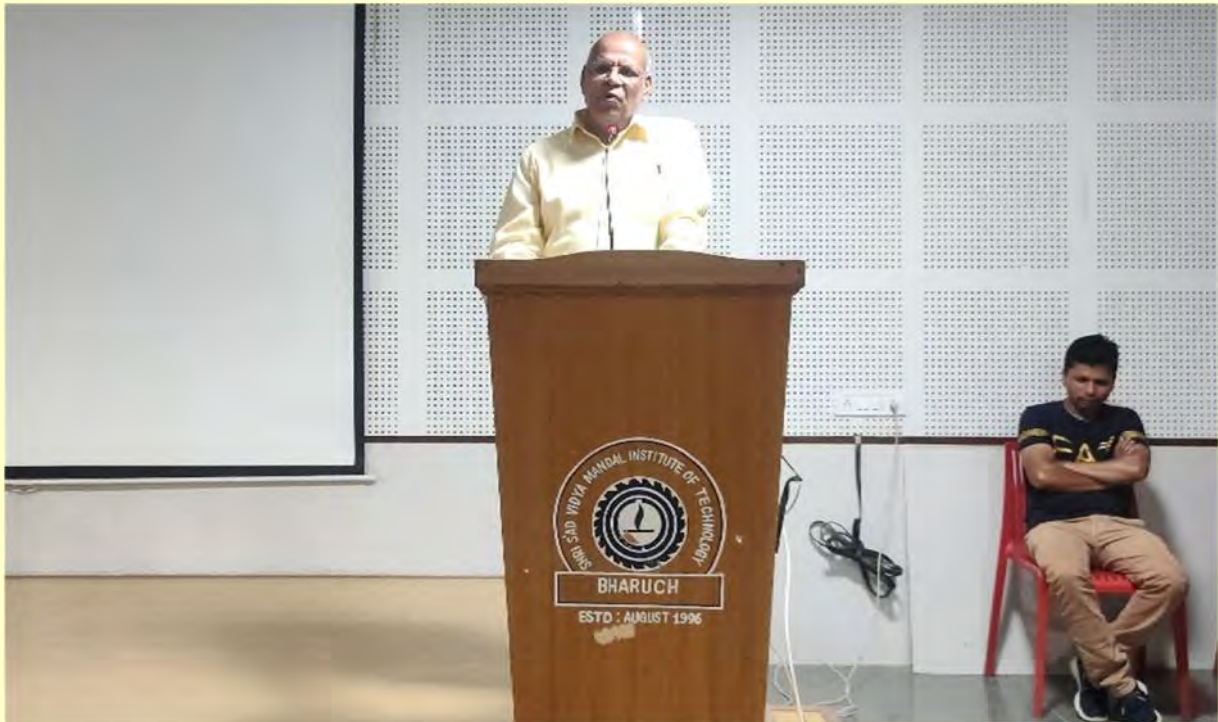

Some notable points were:

- 1) The present status of the department, the total strength of the students & results vis-à-vis the University & Institute.
- 2) Various activities & events organized by department as well at the Institute level.
- 3) Technical festivals and placement in recent years.
- 4) The change in syllabus by university & internship introduced in seventh & eighth semester of the undergraduate program in the Civil Engineering.

[Address by Prof. Shonak Purohit, HOD, DCE, SVMIT, Bharuch](#)

Honourable Director of SVMIT, Shri Jivrajbhai Patel was pleased to join the program to grace the program and bless with his valuable guidance to the Alumni & students present during the function.

OPEN FORUM

The Alumni were invited to share their experience and journey, during their studies and the life thereafter. They also interacted with students & gave guidance and advice for their bright career in the professional world. The following were the some of the important points of this interaction:

- 1) Think & work for startup.
- 2) Keep more focus on practical knowledge.
- 3) Visit regularly to ongoing construction projects.
- 4) Concentrate on concepts & learning in the class room.
- 5) Learn about modern materials, equipment & technology.
- 6) Be ready for hard work with dedication for duty.
- 7) Keep attitude of job giver than that of job seeker.
