

SHONAK PUROHIT

(M.E Structural Engineering)

Department:

Department of Civil Engineering

Designation:

Assistant Professor & Head

Email:

Shonak.purohit@svmit.ac.in

Summary

Shonak Purohit is teaching in SVM Institute of Technology from last 7 years. He has taught various subjects like Design of Structures, Design of steel structures, Concrete Technology also he is currently working in the area of Design & Analysis of the Concrete & Steel Structures. Along with the academics highly active in Extra construction design projects assigned by the Institute

Skill Highlights

- Design of RCC Structures
- Design of Steel Structures
- Concrete Technology
- Estimation & Costing
- Service-focused
- Concrete Mix Design & Testing

Experience

Assistant Professor: July 2015 to Present

Academic Responsibilities

- Head of Civil Department
- Placement Co-coordinator
- Internship Co-coordinator

Education

Master of Engineering: **Structural Engineering**:-Parul institute of Engineering & Technology (GTU)

Bachelor of Engineering: **Civil Engineering**:- J T Mahajan College of Engineering (NMU)

Diploma in **Civil Engineering**:- Vidhyabharti Trust Umrah Bardoli (TEB , GANDHINAGAR)

Area of Interest

Design of Steel Structures

Concrete Technology

RCC Design

Estimation & Costing

Addition Information

STAAD PRO, Use of Excel in RCC & Steel Design
