

N. Kalpana Kumari

Department:

Department of Electrical Engineering

Designation:

Assistant Professor

Email:

kalpana.ray@svmit.ac.in

Summary

N.Kalpana is teaching in SVM Institute of Technology for last 14 years. She has expertise in various subjects like Power System, Machine Design, Electrical Circuits Analysis, Control System Engineering, High Voltage Engineering, Electric and Hybrid Vehicle etc. She has interest in the area of Restructured Power System.

Skill Highlights

- Communication skills
- Problem solving
- Adaptability
- Team Work
- Innovative
- Service-focused

Experience

Assistant Professor: 2010 to Present

Academic Responsibilities

- Time-table Coordinator
- 100 activity point Coordinator
- Class Coordinator
- ERP Coordinator

Education

Master of Engineering: **Electrical Power System**– M.S. University, Baroda, Gujarat

Bachelor of Engineering: **Electrical Engineering**–Veer Surendra Sai University of Technology, Burla, Odisha

Area of Interest

Renewable Energy Sources
Electric Hybrid Vehicle
Restructured Power System
