

# Dr. HARESH S. NANKANI

**Department:**

Department of Electrical Engineering

**Designation:**

Associate Professor

**Email:**

haresh.nankani@svmit.ac.in

## Summary

---

Haresh Sanmukhdas Nankani is teaching in SVM Institute of Technology for the last 22 years. He has taught various subjects like Electro techniques, Elements of Electrical Engineering, Basic Electrical Engineering, Electrical Machines, Electrical Power System-I, Electrical Power System-II, Electrical Power System-III, Power station Practice, Power System Analysis, Power System Operation and Control, Interconnected Power System, High Voltage Engineering, Effective Technical Communication, Economics for Engineers, Professional Ethics, Elements of Electrical Design, Electrical Machine Design, Testing and Commissioning of Electrical Equipments etc.

## Skill Highlights

---

- Project management
- Strong decision maker
- Complex problem solver
- Condition Monitoring of Electrical equipments
- Team work

## Experience

---

**Associate Professor:** 2012 to Present

**Academic Responsibilities**

- GTU Coordinator
- OSTC Member
- Class Coordinator
- GTU Examination
- Exam Coordinator

## Education

---

Doctor of Philosophy: **Electrical Engineering** – R. K. University, Rajkot

Master of Engineering: **Electrical Power Engineering** – M. S. University of Baroda, Baroda

Bachelor of Engineering: **Electrical Engineering** – M. S. University of Baroda, Baroda

## Area of Interest

---

Power System

Machine Design

Condition Monitoring of Electrical equipments
