

# Vandana Y. Gajjar

**Department:**

Department of Mechanical Engineering

**Designation:** Assistant Professor**Email:** Vandana.gajjar@svmit.ac.in

---

## Summary

Vandana Y. Gajjar is an Assistant Professor in Department of Mechanical Engineering at SVM Institute of Technology since 12<sup>th</sup> February 2001. He has over 20 years of experience in teaching and research in the area of I.C.Engine & Automobile Engineering. She has taught various subjects in UG and PG like I c engine, Automobile Engineering, Oil Hydraulic & Pneumatic System etc. She has delivered expert talk on Trouble shooting in Pumps and valves at various industries.

---

## Skill Highlights

- Team work and collaboration
- Strong decision maker
- Complex problem solver
- Creative design
- Innovative
- Professionalism and strong work ethics

---

## Experience

**Total Teaching Experience: 8 years**

- UG Teaching: 20 Year
- PG Teaching: 7 Year

---

## Education

- Master of Technology: **Mechanical Engineering (I.C.ENGINE / AUTOMOBILE ENGINEERING** – LDCE,AHMEDABAD
- Bachelor of Engineering: **Mechanical Engineering** – G.E.C., Modasa

---

## Area of Interest

- I.C.Engine & Automobile Engineering

---

## Addition Information

- **Research Publication:** Journal – 15, Conference Proceedings – 5
- **STTP's /FDP's Attended:** 14
- **Expert Talk Delivered ( Human values & Behaviour based Safety):** 10
- **Recognition/Membership:**
  1. Life member of ISTE – LM31059
